

ULTRA SUPER QUIET EXHAUST FAN

The CF-170ES fan is designed for high performance and quiet operation. This fan is equipped with specially designed mounting slots that allow for easy installation on concrete ceilings or wooden joists. The CF-170ES is constructed with corrosion resistant, heavy gauge satin coat steel. This fan is suitable for installation over bath tub or shower stall with GFCI protected branch circuit. The fan is certified by California Energy Commission in accordance with California Law - Title 20. It also meets Washington State Ventilation and Indoor Air Quality Code.

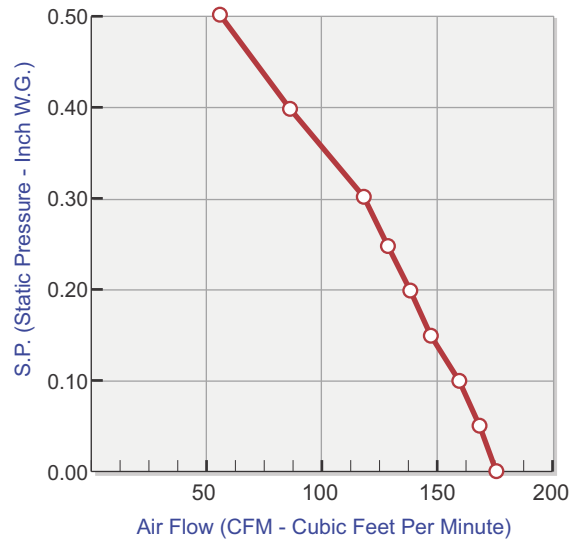

Plastic Backdraft Damper

White High Impact

Off White Aluminum Grille
